BESKRIVELSE

Fantastic village house in Jesús Pobre, just a few steps from all basic services and only 10 km from Jávea. The house requires renovation, making it a perfect canvas to turn into your dream home. On the main floor, we find a spacious living-dining room with high ceilings featuring wooden beams, beautiful traditional mosaic floors, a wood-burning fireplace, several bedrooms, a full bathroom, an independent kitchen, and a large patio with a well. The upper floor needs a complete renovation, ideal for being transformed into bedrooms with en-suite bathrooms, a gym, etc. The property is sold with an approved complete renovation project, which simplifies and speeds up the process. If you want a traditional house in a quiet village yet close to the beach, this is a great option.
