We present this building with charm in Orihuela city. Composed of a local business and two floors with two huge apartments and a house added.This is a great opportunity of investment converting it into a hotel or rental apartments. Is a building built 120 years ago approximately which makes it in a historical place of the city. We can find old design elements of that age like high ceilings, high doors and big windows, and peepholes with a very particular old system in the front doors of the apartments. There are wallpaper of that age in some of the walls and a piano that is possible to keep it for decoration for the new business.This building need a complete renovation and is possible to make more apartments inside or rooms for a hotel.
