DESCRIPTION

Each home offers a spacious living and dining area, a modern open-plan kitchen with high-quality appliances, air conditioning and at least one private parking space. Generous outdoor areas are a defining feature, with each property offering at least two terraces, including a rooftop terrace. Selected homes also feature additional rooms that can be customised into a private gym, home cinema, wellness area or home office. Depending on the property, outdoor spaces can be personalised with features such as a private swimming pool, bubblebath or outdoor kitchen. Flexible ownership and professional rental management One of the key advantages of this residential is its residential designation: Unlike many holiday developments, owners can enjoy their property throughout the year without restrictions on the length of their stay. Permanent residence is permitted and there is no obligation to rent out the home. For owners who wish to generate rental income when they are not using their property, a professional rental management is in place. The organisation also takes care of property management and maintenance, providing additional convenience and peace of mind. Resort facilities and services Residents have access to a communal swimming pool with sun loungers, a pétanque court and an enclosed multi-purpose sports area. They can also enjoy the facilities of the neighbouring Resort managed by the same hotel management company: Beach & Spa, including restaurants, bars, wellness facilities, fitness areas and family-friendly amenities. The resort’s reception provides an additional point of contact for residents and guests. An attractive location on the Costa Blanca Situated between El Campello and Villajoyosa, this residential is an excellent base for exploring the region. The sandy beach of Cala Lanuza is within walking distance, while Alicante, Benidorm and Alicante Airport are easily accessible by car and tram. From beautiful beaches and Mediterranean restaurants to picturesque villages, golf courses, cycling routes and water sports, the surrounding area offers something for everyone throughout the year.
