KUVAUS

Interior and exterior lighting, minus ornamental lights. Motorized shutters. Downstairs comprises a bright living-dining area with open plan kitchen, a bathroom and an additional downstairs room of 13m2 which could be used as a third bedroom, a separate dining room or as a garage; this room will have panoramic glass doors which open outwards and which will allow a car to park inside if required (*although this internal space can be used for whatever the owners require and will be prepared as a bedroom, it will be put down as a garage on the deeds). There is also an exterior storage room and pool pump in the back patio. On the first floor there is master bedroom with en-suite bathroom, two fitted wardrobes and direct access to a balcony, plus another double bedroom with fitted wardrobes and access to balconies. A third family bathroom can also be found on the first floor. Stairs up from the first floor lead to a private roof solarium with summer kitchen with sink, work surface and cupboard containing a mini-fridge. Fantastic views from the solarium, thanks to its seaside location. Energy-efficient thermal insulation, plus a high level of soundproofing. Shower screens with two options available. TV and telephone sockets in the living room, bedrooms and in the solarium. Interior doors, carpentry and fitted wardrobes in white. Double-glazing with optimal solar protection. Hot water system via an electric, adjustable boiler and 1.5kw photovoltaic solar panels. Pre-installation for an electric car charger. Los Alcazares is a popular coastal town where you can find shops, bars, restaurants, supermarkets, chemists, a health centre, taxi rank and bus stops. Superb communication links, with the AP7 motorway close by. Murcia International Airport is less than a half hour’s drive (40km) and Alicante airport can be reached in under an hour (93km). The prestigious Roda Golf & Beach Resort, with its 18 holf Dave Thomas designed course, is just 2.5km away. (860)
