KUVAUS

Extending seamlessly from the living room is a terrace, made possible by a large folding window. Wooden shutters on masonry walls provide a partially covered outdoor area for added comfort. The pool, with its aquamarine hues and gresite lining, sits adjacent to a pavement area crafted from non-slip porcelain tile with a wood-like appearance. This space also includes a barbecue area that can be customized to suit the user's needs, with access from a paved zone through the natural terrain. Finestrat located in the Marina Baixa region of the Costa Blanca, close to neighbouring Benidorm and about 40 kilometres from the city of Alicante and the international airport. The village is situated on the mountainside of Puig Campana and offers beautiful views of the mountains, the coast and the Mediterranean Sea. Benidorm is just a five-minute drive from the properties and offers all the services you would need including shops, bars, restaurants, supermarkets, banks, pharmacies and several private international schools.
