KUVAUS

The ground floor features a bright open-plan kitchen and living area, together with one bedroom and a bathroom. Large glazed doors connect the interior with the outdoor terrace and private swimming pool, creating an ideal space for enjoying the Mediterranean climate. The first floor accommodates two further bedrooms, both with en-suite bathrooms and private terraces. Buyers also have the option to add a private rooftop solarium at an additional cost. The spacious basement includes a garage for two cars, storage room, laundry area and a full bathroom. An additional multipurpose room with natural light and ventilation through an English patio can be adapted as a home office, gym, games room or extra bedroom. High Quality Finishes and Modern Technology These new build villas are equipped with an aerothermal system for domestic hot water and pre-installation for ducted air conditioning. Additional features include electric shutters, video intercom, interior and exterior lighting, a fitted kitchen with appliances, magnetic door locks and a reinforced entrance door. For extra comfort and security, the properties also include an alarm system, underfloor heating in the bathrooms and a motorised vehicle entrance gate. These specifications combine everyday convenience with modern energy-efficient technology. Enjoy the Beaches and Lifestyle of Guardamar del Segura Guardamar del Segura is renowned for its extensive golden sandy beaches, natural dunes and pine forests. The town offers a relaxed Mediterranean lifestyle, with a traditional town centre, weekly markets, restaurants, shops and a lively marina. Its natural parks and coastal walking routes make it particularly attractive to outdoor enthusiasts, while nearby golf courses and neighbouring towns provide further leisure options.
