KUVAUS

Contemporary Apartments Designed for Mediterranean Living This first phase includes 64 stylish apartments with 2 and 3 bedroom layouts. Buyers can choose between ground floor homes with private gardens, middle floor apartments with spacious terraces or penthouses with private solariums. Most properties feature two large terraces facing east and southwest, allowing you to enjoy sunlight throughout the day and make the most of the Mediterranean climate. The interiors are designed with open plan layouts, maximizing natural light and creating a seamless connection between indoor and outdoor spaces. Fully equipped kitchens with Bosch appliances integrate perfectly with the living area, while bathrooms include underfloor heating, modern furniture, mirrors and shower screens. High Quality Finishes and Energy Efficiency Each home is built with premium materials and modern technology to ensure comfort and sustainability. Features include double glazed windows with thermal insulation, motorized shutters, reinforced security doors and an aerothermal system for hot water and climate control. Every apartment also includes a private parking space and a storage room in the underground garage. Exclusive Communal Areas for Lifestyle and Wellbeing The development offers outstanding communal facilities designed for relaxation, leisure and productivity. Residents can enjoy a large swimming pool surrounded by landscaped gardens, a fully equipped gym and a wellness spa of over 200 m2 with jacuzzi, sauna and Turkish bath. Additional amenities include a social club with coworking spaces and a children’s play area, creating a vibrant and comfortable community environment. Excellent Connectivity and Nearby Points of Interest Benidorm beaches 7 km Altea 8 km La Nucía town center 3 km Alicante Airport 60 km Villaitana Golf 6 km Port of Altea 10 km Investment Opportunity and Mediterranean Lifestyle This development not only offers a modern home but also an excellent investment opportunity, with optional rental management services designed to maximize return when not in use.
