A bright and spacious quad house in a gated community, just a stone's throw from Zenia Boulevard. From the glazed front terrace, you step into a spacious living area that includes a dining space and an open-plan kitchen. The ground floor also features a bathroom with a shower. Upstairs, there are two bedrooms with built-in wardrobes; the master bedroom has its own south-facing balcony. The upper floor also houses a second bathroom, which includes a sauna. At the top, there is a partially covered roof terrace featuring a convenient laundry room. You can enjoy the sun all day long on the uncovered section. You can park your car in your own private yard behind the gate. Beneath the front terrace, there is a small, lockable storage room—perfect for a bicycle, for instance.
