KUVAUS

2 and 3 Bedroom Apartments with Large Terraces The development comprises apartments with 2 or 3 bedrooms and 2 baths (one of them ensuite), distributed across 15 low rise blocks of only two floors. Each property includes a private parking space. Ground floor apartments feature generous terraces, while upper floor properties offer terraces and private rooftop solariums. The solariums include a shower and
preinstallation for an outdoor summer kitchen, creating an excellent space for enjoying the Mediterranean climate. Thanks to the development following the natural slope of the land, many upper floor apartments benefit from attractive panoramic views towards the sea and surrounding countryside. Quality Specifications and Energy Efficiency The apartments have been designed to maximise natural light and provide comfortable modern interiors. Features include double glazing with thermal break, electric shutters, reinforced security entrance doors, preinstallation for ducted air conditioning and aerothermal technology for domestic hot water. Bathrooms are equipped with furniture and shower screens, while an interior lighting package is included. These specifications provide improved thermal and acoustic insulation and year round comfort. Exceptional Communal Facilities Residents have access to extensive communal facilities designed for relaxation and an active lifestyle. The development includes 3 communal swimming pools, a spa with heated indoor pool, an indoor gym, children playground and a social lounge. Pulpí and the Costa de Almeria Pulpí is a peaceful coastal municipality known for its natural landscapes, beaches and excellent climate. The nearby coastline includes attractive beaches and coves, while the famous Geode of Pulpí is one of the area's most important natural attractions.
