KUVAUS

NEW BUILD VILLA IN BENISSA New Build villa designed to dialogue with its surroundings and integrate into it. Its structure, based on concrete platforms and wooden pergolas, slides along the natural slope of the land, creating the interior living spaces. Access to the house is through a cassette that offers panoramic views of the surrounding area.
Descending to the first level, we find the master bedroom with its own dressing room, bathroom and terrace. A platform for an en suite bedroom with all the privacy and intimacy possible. Going further down, we find another platform with the rest of the rooms of the house. A total of three spacious bedrooms with en suite bathroom and terrace occupy this space. The third level is occupied by the day area.

OMINAISUUDET

Hissi · Lämmitys · Lähellä rantaa · Puutarha · Pysäköinti · Uima-allas · Varasto · Aidattu asuinalue · Merinäköala

NEW BUILD VILLA IN BENISSA

Viite SP1201 · 4.250.000 €

KUVAUS

Two separate living-dining room and kitchen areas, which can be joined by separating the sliding door that separates them. Leaving a single open-plan space that connects directly with the exterior through four sliding panels. A fluid exterior-interior space that allows you to enjoy the house with the breeze and views of the outside. Finally, in the basement, there is a large leisure space, games room, TV and bar and a gym room. Both rooms are flooded by the light that enters through the openings in the swimming pool and through which the light enters, filtered by the brightness of the water. A home with exceptional finishes that give it warmth and that at the same time dialogue with the pool. TECHNICAL CONTROL AND DECENIAL INSURANCE -10-year structural damage liability insurance. -Building quality control by a certified testing laboratory. -Energy control performed by an accredited company. -Technical Inspection Control (OCT) by an accredited company. -Installation of a closed-circuit video intercom system with panoramic access view. Benissa is a picturesque town located in the province of Alicante, known for its rich history, mountainous landscapes, and rugged coastline. The old town of Benissa is particularly charming, with narrow cobbled streets, white houses featuring medieval details, and historical landmarks such as the Church of the Purísima Xiqueta and the Contracting Hall (Lonja de Contratación). The architecture reflects its Moorish and medieval past, offering visitors a journey through time. In addition to its cultural heritage, Benissa boasts a beautiful coastline of approximately 4 kilometers, known for its coves and crystal-clear beaches, such as Cala Advocat and Cala Fustera. These areas are ideal for diving, snorkeling, and other water activities. The town is also famous for its hiking and cycling routes that traverse both the coastline and the inland, allowing visitors to enjoy panoramic views of the Mediterranean and the rural landscapes. Benissa’s cuisine is another highlight, featuring traditional dishes such as arroz a banda, dried octopus, and local sausages. (860)
