On the ground floor there is a shop with windows that overlooks two streets, if you want to open your business this propety is perfect, because if you want the store, the owner includes all the furniture in the price; counter, hangers ... A very good opportunity as it is located in one of the most central streets of Pinoso, but at the same time very quiet. The store has a basement in which there is a bathroom, this basement is currently used as a storage room, but could be converted into a garage, since it has the entrance ramp, but is currently closed.
