DESCRIPTION

Up the stairs there is even a third bedroom with acces to a terrace full of sunlight and with sea views. You can make this into a amazing area to sit, enjoy the view and really feel the Spanish lifestyle. There is a very quite and secluded pool area within this closed community. It has a lot of space to put out your sun lounger and have a nice dip in the blue water.The area is peaceful but you are in the centre of very lively areas. On the one side it´s a walking distance to Villamartin Plaza with lots of bars restaurants and live music. In the summer time there a great live concerts on. On the other side is La Fuente commercial centre, with shops, supermarkets, bars and restaurants. You will have everything on your doorstep, even an 24 hour shop with amazing baguettes. This is one you have to see and feel, we loved it from the start.
