DESCRIPTION

This is the last available townhouse in an exclusive new residential development in Campolivar, Valencia, set within a peaceful natural environment with excellent potential for long-term value. The project consists of 20 modern townhouses arranged in two staggered rows, carefully adapted to the natural slope of the land. Each home enjoys two private gardens at ground level: a front garden providing access to the property and a rear garden connected directly to the main living areas. Designed to combine comfort, functionality, and connection with nature, this final unit offers generous interior spaces, private outdoor areas, and access to communal green areas and a swimming pool—ideal for families or buyers seeking a high-quality lifestyle close to Valencia.
