LÝSING

Sometimes a home doesn’t need any grand features to make you like it. This apartment enjoys one of those locations that simply makes everyday life more pleasant: lovely open views towards Plaza del Calvario, no neighbours directly opposite, and just a few minutes’ walk from the Town Hall Square and the centre of Torrevieja. As soon as you walk in, it feels well cared for, comfortable and easy to live in from day one. The layout is practical and makes excellent use of the space, with good morning light, two double bedrooms and two full bathrooms — a combination that is not always easy to find. One of the bathrooms is en suite to the main bedroom, adding extra comfort and privacy. The building is well maintained and has a calm atmosphere, with the added benefit of 24-hour video surveillance.
