LÝSING

Set in the Los Altos area of Orihuela Costa, this furnished apartment built in 2007 offers two bedrooms, two bathrooms and an additional enclosed space that can be adapted to different uses. The 82 m² interior opens onto a private garden as well as terraces at both the front and back of the property, giving plenty of room for outdoor dining or simply relaxing in the sun. The urbanisation has two communal swimming pools, well-kept green areas and a children's play area. A storage room is included. At 190,000 euros, the property works equally well as a holiday home, a rental investment or a permanent residence on the Costa Blanca.
