VILLA IN DAYA VIEJA

Tilv. MLSC7608595 · 749.000 €

LÝSING

On the upper level, there is an additional private bedroom with en-suite bathroom and its own roof terrace, creating the perfect guest accommodation with plenty of privacy for family and friends. Heated Saltwater Pool and Excellent Outdoor Space The property features a beautiful heated saltwater swimming pool, equipped with an electric solar pool cover that protects the pool while also helping to maintain and increase the water temperature. In addition to the large integrated garage, several outbuildings provide excellent possibilities for storage, hobbies, workshop space and additional parking. Impressive Energy Efficiency A major investment has been made in reducing the property's energy consumption. The villa benefits from no fewer than 36 solar panels: 16 solar panels of 410 W20 solar panels of 350 W2 storage batteries of 5 kW each For the cooler winter months, the property has oil-fired central heating together with a high-quality pellet stove in the living area. Both the main house and the outbuildings are also equipped with air conditioning. Water supply is equally comprehensive, with mains drinking water, agricultural water and a private borehole available on the property. Living in Daya Vieja on the Costa Blanca Daya Vieja offers the peaceful atmosphere of a traditional Spanish village while remaining within easy reach of the Costa Blanca beaches, golf courses, restaurants, shopping facilities and lively coastal towns. With its Mediterranean climate, excellent gastronomy and outstanding quality of life, this area is ideal for permanent living, a second home in Spain or a property investment.
