LÝSING

A fully equipped kitchen and a cozy living room: warm spaces designed for sharing special moments in complete tranquility. Efficient climate control: ducted air conditioning to maintain a cool, serene, and healthy environment throughout the home during the summer months. Health and Nature Just a Few Steps Away Just 300 meters away, after a refreshing walk through the lush green park, the sea opens up before you. The combination of the iodine-rich sea breeze and the scents of the native pine forest make this spot a true haven of health in the southeastern Mediterranean. It’s the perfect setting for peaceful walks with your loved ones or pets, exercising outdoors, or simply breathing in the fresh air. Quality of Life and Serenity The residential complex features a pleasant communal pool where you can relax under the Mediterranean sun, as well as private parking and a storage unit for your complete peace of mind. Despite being an oasis of peace surrounded by tree-lined green spaces, the home is strategically located near all necessary amenities (public transportation, health centers, schools, and shops), ensuring convenience without sacrificing tranquility and well-being. Treat yourself to the quality of life, fresh air, and peace you deserve. Your new haven of health and relaxation awaits you.
