LÝSING

Outside, there is a welcoming barbecue area, ideal for family gatherings and socializing in an intimate and exclusive setting. Inside, natural light takes center stage. The spacious living room, furnished with wooden furniture and ceramic floors, offers a warm and refined atmosphere. The functional and perfectly integrated kitchen has direct access to the outdoor porch, facilitating a seamless connection between the interior and exterior. The house features oil-fired radiator heating throughout, ensuring comfort year-round. The bedrooms are doubles, all with built-in wardrobes, and the spacious, well-equipped bathrooms are designed with everyday comfort in mind. One of the most striking features is the impressive granite staircase, with its high-quality finishes, complemented by a large designer window that floods the house with spectacular natural light. From the first floor, you can enjoy a beautiful view of the garden. On the upper floor, there is a spacious dining room with access to the terrace, two double bedrooms with built-in wardrobes, each with a private terrace. A unique opportunity, combining the comfort of a detached villa with the convenience of being just steps away from the center.
