The outdoor area is also a delight. The villa stands on a 530 m² plot with a beautifully landscaped garden and an impressive 10 x 5 metre private swimming pool. An ideal place to fully enjoy the Mediterranean outdoor lifestyle and the sunny climate of the Costa Blanca.An additional bonus is the basement, where there is approximately 80 m² of extra space available for further development. Consider, for example, additional bedrooms, a gym, an office, a playroom or a relaxation area.This property is also excellently equipped in terms of energy efficiency and technology. The villa has an energy rating of A, 10 kW of solar panels, infrared heating throughout the property and four new inverter air conditioning units. In addition, all sockets and light switches are smart-enabled, allowing various functions in the home to be controlled easily and in a modern way.This villa is an excellent choice for anyone looking for a spacious permanent home or a comfortable holiday home in a popular area on the southern Costa Blanca.
