olive grove to your right, you come up to the villa itself, which stands majestically higher than the drive. The villa sits in the middle of the plot and benefits from lovely, landscaped gardens to the left, with a feature koi fishpond. To the other side of the villa, you have a boules rink and your own private heated pool, what more could you ask for! As you enter the villa you have a large hallway, at the far end you have stairs, providing access both up and down. Moving to your right you have a bedroom and a separate bathroom, then the main lounge/living area, with a beautiful ornate fireplace. Moving back and across you have a bedroom to your right and this is followed by an open plan kitchen and dining area, which provides ample room to talk to friends while cooking. Next you have a snooker room which has a full-length professional snooker table, with ample room to move and play your shot, from here you have another bathroom followed by the next bedroom, lastly on this level you have a utility room. If we then move to the hallway and upstairs, the stairs has a stairlift if needed, which takes you up to the first-floor landing, to your left you have access out to an upper terrace, with views over the countryside, but also offers an office. Moving back inside to your left you have the master bedroom, which is a generous size and benefits from a walk-through wardrobe and its own private en-suite. If you walk back towards the landing there is a corridor that provides access to all the other rooms on this level, such as three more bedrooms and two more bathrooms. Taking the stairs down and through the kitchen and out you have a lower terrace that overlooks the pool, to the left of this area is another bathroom. Finally on the lower level you have the garage, which has two separate doors providing ample space for two cars plus lots of storage, plus another bathroom. This is a STUNNING VILLA, which offers you so much for your money. This write up does not do it justice, you will need to see for yourself, just how good this is, trust me you will be amazed - Thank you for looking!
