LÝSING

The master bedroom features its own en-suite bathroom, extensive fitted wardrobes and direct access to the terrace. There is also a guest bedroom with its own bathroom, while the third bedroom also benefits from direct terrace access. One of the highlights of the property is its large, partially covered terrace, accessible from several rooms and offering plenty of space for outdoor dining, relaxing and enjoying the Mediterranean climate. The basement incorporates an independent apartment with its own private entrance, ideal for guests, extended family or additional accommodation. It includes a bathroom, living room, bedroom, study and storage area. Outside, the impressive plot has been designed to make the most of Mediterranean outdoor living. It features a 50 m² private swimming pool with outdoor shower, a covered jacuzzi, and a dedicated barbecue and summer kitchen area with covered space. The property also benefits from a covered garage and additional parking space for several vehicles within the plot. The villa is equipped with solar panels, helping to improve energy efficiency and reduce electricity consumption. Located in the popular area of Ciudad Quesada, just 2 km from La Marquesa Golf Course, this spacious and versatile villa is ideal as a permanent residence or a comfortable Mediterranean family home on the Costa Blanca.
