LÝSING

We present this spectacular, renovated apartment in the heart of Torrevieja, just steps from the new Paseo del Mar marina. The apartment features three bedrooms (one converted into a dressing room with built-in wardrobes and mirrors), a full bathroom, and a guest toilet. The separate kitchen is equipped with all new appliances, perfect for everyday living. From the kitchen, you can access a laundry room with a washer and dryer, a very practical feature as it doesn't take up any additional living space. The spacious living-dining room is bright and airy thanks to its southeast orientation. The master bedroom, with built-in wardrobes, opens onto a sunny covered terrace with direct views of the marina, promenade, and sea.
