LÝSING

Two homes, one plot: a 368 m² country villa with a private annex, set on 5,000 m² of open countryside near La Torre Golf Resort.This is the kind of space that's genuinely hard to find on the coast: room to breathe, room for family, and room to grow. The main house holds four bedrooms and two bathrooms, including an en-suite master with dressing area, all wrapped around a bright American-style kitchen that opens onto the living and dining space. South-facing and full of natural light, with a wood burner for winter and air conditioning for summer.Step outside to a 5×10 m private pool, covered outdoor kitchen, and BBQ area, built for long Spanish evenings. Solar panels keep running costs low, and there's a separate storage room for tools and equipment.
