LÝSING

Set in the Vista Azul 4 area of Torre de la Horadada, this semi-detached townhouse built in 2003 sits 500 metres from the sea and 600 metres from local shops. The Plaza Nueva, lined with restaurants and cafés, is 800 metres away, and the Calle Mayor and a school are also close by. Quick access to the N-332 and the AP-7 motorway makes the location equally practical for year-round living.The house has been recently renovated and comes fully furnished, with a new kitchen, new flooring and new furniture throughout. Currently configured as two bedrooms and two bathrooms across 96 square metres of built space, there is a realistic possibility to add a third bedroom if needed. Three generous terraces wrap around the property, and a toldo provides shade in summer.
