Space for everyone, everyday comfort, and a home to enjoy both inside and out. Some homes work especially well when you're looking for something more than an apartment, but don't want the upkeep that comes with a detached house. This townhouse, located in the Carrefour area of Torrevieja, offers exactly that balance. Everyone can enjoy their own space, you can welcome guests comfortably, or use an extra room as a home office, a place to relax, or simply adapt it to your family's needs. The property is set within a gated residential complex with a communal swimming pool, perfect for making the most of Torrevieja's pleasant climate throughout the year, without having to worry about the maintenance of a private pool.
