LÝSING

This newly completed residential building (November 2024) offers a modern and functional living environment in the heart of Benimàmet, Valencia. The development consists of 22 apartments divided into two independent blocks, each with its own entrance from two parallel streets, ensuring privacy and удобну access. The building features 1- and 3-bedroom apartments, all designed with open-plan kitchens connected to the living area, spacious interiors, and private outdoor spaces such as terraces or balconies. Each apartment has been designed to combine modern style, technology, sustainability, and comfort, with high-quality interior finishes, excellent natural light, and natural cross ventilation, ensuring energy efficiency and everyday comfort.
