LÝSING

The spacious basement offers additional living accommodation, including a kitchen, three bedrooms and three bathrooms. Unlike many neighbouring properties, which either have no basement or a smaller one with fewer facilities, this villa benefits from an exceptionally generous and versatile lower level. The property also features a private rooftop solarium, offering additional outdoor space to enjoy the sunshine throughout the year. Ideally situated in Los Dolses, the villa is just a short distance from La Zenia Boulevard, supermarkets, restaurants, cafés and other local amenities. The beautiful beaches of Orihuela Costa are only a short drive away, while the peaceful residential surroundings make it an attractive option for permanent living or a holiday home. With its 5 bedrooms, 5 bathrooms, extensive basement accommodation, private swimming pool and excellent location, this villa presents a unique opportunity to acquire a substantial property in one of Orihuela Costa's most established residential areas.
