VILLA IN ORIHUELA COSTA

Nr. MLSC2409187 · 749.000 €

APRAŠYMAS

The villa features spacious living areas bathed in natural light, including a large living-dining room with a fireplace, a fully equipped separate kitchen, two bathrooms, and four comfortable bedrooms, two of which are located on the ground floor. The exterior spaces are one of the property's key assets. Currently functional but requiring redesign, they offer remarkable potential for transformation. The space could be transformed into a truly upscale Mediterranean garden with lounge areas, an outdoor dining area, and an optimized 7x4 meter private pool, ideal for relaxing in complete privacy. A private garage, seamlessly integrated into the house's architecture, is another significant advantage. Upstairs, a private solarium completes the ensemble, offering the potential for installing solar panels and thus enhancing the property's future energy efficiency. This property has great potential, providing a solid foundation for creating a high-end contemporary villa in one of the most exclusive locations on the Southern Costa Blanca.
