VILLA IN PINOSO

Ref. MLSC2366364 · 895.000 €

BESKRIVELSE

A particularly attractive feature of the home is the very large glazed covered porch, providing plenty of space for outdoor dining and relaxing, allowing the outdoor areas to be enjoyed during the cooler months.Outside, the mature landscaped gardens surround an impressive 12 x 6 metre swimming pool and barbecue area. The remainder of the land includes an established almond orchard and offers plenty of additional space. With more than two hectares of land, the property could also be suitable for keeping horses, subject to the relevant permissions and requirements.The property has a large double garage with its own kitchen, offering excellent potential to be converted into a self-contained guest annexe, subject to any necessary approvals. This could provide independent accommodation for family and visitors while remaining separate from the main living areas.The villa benefits from mains electricity, mains water and irrigation water, together with an automatic irrigation system for maintaining the gardens and land. A backup diesel generator provides an additional power source. The property is fully fenced and accessed through electric entrance gates.Despite being close enough to walk into Pinoso, the villa enjoys a quiet and very private setting, with only a few neighbouring properties nearby. Its large plot, established gardens, excellent outdoor spaces and proximity to town make it particularly suitable as a spacious permanent family home.About the AreaPinoso is a popular inland town in the province of Alicante, surrounded by vineyards, almond and olive groves, and mountain scenery.
