BESKRIVELSE

The bright living area connects beautifully with the modern kitchen, while the corner position provides additional natural light and creates a pleasant feeling of space. From the living area, you have access to the terrace, where the south-east orientation allows you to enjoy the morning and early afternoon sunshine. The apartment is in excellent, almost-new condition and offers all the modern comforts you would expect, including air conditioning. An important additional advantage is the private parking space in the underground garage, together with a separate storage room. The lift provides direct access from the apartment floor to the basement level, making both the parking space and storage room very convenient to reach. The residential complex itself also offers excellent communal facilities. Residents have access to a communal gym and sauna, perfect for those who appreciate having fitness and relaxation facilities close to home. In addition, the apartment already has a rental licence, an important benefit for buyers who wish to use the property for holiday rentals.
