BESKRIVELSE

This exclusive new-build residential project is located in Campolivar, Godella, one of the most desirable residential areas near Valencia, surrounded by nature and established low-density housing. The first phase is 100% sold, and the second phase is now available, offering a limited number of modern detached family homes designed for comfort, space, and quality living. Each home is set on a private plot of approximately 290 m², increasing up to 410 m² for corner units, and features large paved terraces, a private garden, and the option to include a private swimming pool.
