Description

Residencial Adhara is a new and exciting project created by one of the best developers in the area. Here you can have a ground floor apartment with generous gardens or a top floor apartment with spacious rooftop terraces and beautiful views of the surroundings.

All apartments feature an open space between the living room and kitchen, two spacious bedrooms with built-in wardrobes, and two bathrooms, one of them en-suite with the master bedroom. The ground floor apartments offer a cozy terrace leading to the generous garden, where there's room for sun loungers, terrace furniture, and a barbecue.

Residencial Adhara offers lovely green areas and a communal pool.

The apartments are in a fantastic location, close to all the amenities you might need, such as supermarkets, pharmacies, shops, banks, restaurants, and caf s. A short drive will take you to the beautiful beaches of Guardamar del Segura or Torrevieja, as well as to several golf courses like La Marquesa or La Finca.
