

#158939 / Alicante / Alacant / Alicante / Spain

Description

Residential complex, located in the upper part of PAU II, is very well connected to the city center and surrounded by schools, shops, and a wide range of services and activities. Its strategic location, atop a hill, offers clear views facing the sea, Santa Bárbara Castle, the Alacant region, and the nearby mountains framing the horizon.

The 28 homes, each with a parking space and storage room, are housed in a sustainable and modernly designed building with just four floors. These homes stand out for their privacy, spaciousness, and brightness. Unique and contemporary, with high-quality finishes, they are part of a fully equipped residential community that includes a pool and landscaped areas to enjoy year-round.

Additionally, its excellent connectivity and quick access to the A-7 highway and the university, along with its established location, make this residential complex an ideal place to live.
