

#158968 / Ciudad Quesada / Alicante / Spain

Description

ed in El Raso, this private residential complex features 135 homes with 2 or 3 bedrooms, designed in a minimalist style and built to high-quality standards. Its modern architecture blends seamlessly with expansive open spaces, natural surroundings, and inviting pools, creating a serene and distinctive living environment.

The complex is set on a one-of-a-kind plot, surrounded by the natural beauty of the salt lagoon. Residents can enjoy its rich biodiversity and peaceful ambiance while being close to some of the best Mediterranean beaches. Located in El Raso de Guardamar del Segura, the area offers a wide range of services and amenities. Its proximity to El Moncayo Beach allows for pleasant bike rides, all while enjoying the exceptional Costa Blanca climate.

Amenities include a glass-enclosed gym and spa with views of the green areas and pools, as well as a terrace overlooking La Mata salt lagoon. Additional features include a paddle tennis court and more. Some of the buildings, designed with five levels and south-facing orientations, enhance the experience. The luxury penthouses may feature fully equipped kitchens on the solarium, outdoor showers with hot and cold water, and jacuzzi areas, delivering an unmatched lifestyle in an extraordinary natural setting.
