

#58679 / Orihuela Costa / Alicante / Spain

Description

Newly built residential complex consisting of 112 very cozy 2-bedroom, 2-bathroom homes, approximately 72m² built, with a modern layout and spacious terraces. All homes are well oriented, receiving light and warmth from the sun throughout the year.

The residential complex includes ground floor units with private gardens, apartments with terraces, and exclusive top-floor penthouses with private solariums.

Common areas feature a large swimming pool and a jacuzzi, extensive landscaped areas with a playground, and an exercise area.

The residential complex is located near the two most well-known golf clubs in the area and very close to all amenities.

The golden beaches of Orihuela Costa are a 5-minute drive away, as well as the new Zenia Boulevard shopping center (the largest shopping center in the province of Alicante with the largest Primark store in Europe).

There are three other golf courses, all within a 5-minute drive. Tennis courts and tennis training are available at the nearby Campoamor hotel.

Alicante and Murcia airports are a 45-minute drive away.
