Your Home in a Privileged Environment

LOS ALCORES VILLAGES is a development that consists of two different residential complexes, each with unique characteristics but with a common denominator: its privileged environment.

The residential complex offers a total of 126 homes distributed in two types of construction:

LOS ALCORES VILLAGES I

LOS ALCORES VILLAGES II

Located on two different blocks but connected by a central street, both follow a traditional Mediterranean architectural style.

LOS ALCORES VILLAGES I consists of 72 homes with a sober and elegant style, characterized by decorative elements that give it a unique character, such as natural stone ornaments, ecological and sustainable.

On the other hand, LOS ALCORES VILLAGES II offers 54 wonderful rustic-style homes, evoking the aesthetics of the picturesque white villages on the Mediterranean coast but with a renewed and contemporary image.

The Mediterranean Sea at your Feet

Located on a promontory overlooking the Mediterranean Sea and the magnificent landscape of Las Lagunas de Sal de Torre Vieja, LOS ALCORES VILLAGES is located in the residential area of Los Altos de San Miguel.

Just 2.5 kilometers from the charming town of San Miguel de Salinas, through the CV-941, this development offers the perfect combination of tranquility and comfort, with all the necessary services at your fingertips.

Proximity to major cities such as Torre Vieja, Orihuela and San Javier guarantees access to a wide range of essential services, such as hospitals, universities, shopping centres, leisure and beaches.
