Description

Bella Salina Villas feature spacious, modern, and versatile spaces, along with the most exquisite selection of materials and finishes, and energy efficiency. These are just some of the exceptional characteristics that make them ideal for enjoying the wonderful Mediterranean climate throughout the year.

The development offers modern semi-detached villas with plots starting from 300 m², consisting of 3 bedrooms and 2 bathrooms, all distributed on a single floor, with ample porches, a garden, and a private pool.

The main area features an open day space, comprising a living-dining room and kitchen with large windows providing access to the outdoor area.

This floor is completed with a master bedroom en suite, two bedrooms with direct access to the garden, a bathroom, and a laundry room.

Each space invites a unique experience through its composition, finishes, and lighting. The contemporary and avant-garde style shares with minimalism the pure and straight lines, as well as spacious, clean, and open spaces, adding a cozy atmosphere.
