

#60320 / Dolores / Alicante / Spain

Description

Semi-detached villas with private pool on the outskirts of Dolores, a typical Spanish village near Alicante.

The Villa Paris project consists of different phases, all villas have 3 bedrooms. Most of the villas have a large garage or parking space on their own plot. Due to the orientation there is a lot of natural light. All villas have their own garden with private pool to enjoy the climate most of the year.

Villa Paris will be built close to a typical Spanish village where you can find all amenities such as bars, restaurants, supermarkets, medical center, town hall and sports facilities. The village is quiet but very social, safe and central. The village of Dolores is only 15 minutes from the city of Elche and Torreveija, 30 minutes from the city of Alicante and only 25 minutes from the airport.
