

#60643 / Rojales / Alicante / Spain

Description

Great semi-detached houses distributed over three floors. The ground floor has an open concept kitchen-living-dining room, a bedroom suite and a toilet. The first floor has 2 en-suite bedrooms, one of them with access to a large terrace of more than 18 m². Finally, we can find the floor corresponding to the solarium of almost 50 m² (which is optional). There is also the option of having a private pool.

The villas are delivered extremely complete and with pre-installation of air conditioning throughout the house. The kitchen has high and low cabinets and all appliances: built-in refrigerator, extractor hood, oven, ceramic hob, washing machine and dishwasher. As for the rooms, they have fitted wardrobes finished with drawers. The bathrooms have underfloor heating, shower screens and cabinet with mirror included.

Located in Rojales, an area that offers a wide variety of leisure activities and the best services, as well as being only 10 minutes from the center of Torrevieja or Guardamar. With a very good connection to access the many nearby golf courses and cities such as Alicante, Murcia or Elche.
