

#66717 / Pilar de la Horadada / Alicante / Spain

Description

Modern villas all featuring 3 bedrooms and 2 bathrooms. The villas are located in Pilar De La Horadada. All villas are finished to a high quality and standard, and come with various advantages:

- Â° Construction: each villa is made of reinforced concrete
- Â° Insulation in accordance with guidelines
- Â° White armored front door
- Â° Built-in wardrobes
- Â° Aluminum shutters
- Â° Kitchen worktop finished with white marble
- Â° Pre-installation of air conditioning
- Â° Lighting provided both outside and inside
- Â° Aerothermal boiler

All villas have a private pool of approximately 12m². The pools are finished with aquamarine green tiles, giving a natural and calming appearance. The entire villa is tiled in gray natural stone, creating a beautiful cohesive look that extends from outside to inside.

Each level of the villa has an outdoor space. On the ground floor, there is a garden; on the first floor, there is a terrace; and on the top floor, there is a solarium. All rooms have easily opened aluminum sliding windows.

The villas are just 400 meters from the beach, Playa de las Higuercas! They are located in Pilar De La Horadada, a charming coastal town. The town has various amenities such as bars, restaurants, shops, etc. The Lo Romero golf resort is only 7.5 km away. The famous port of Puerto San Pedro is just a 9-minute drive away. The well-known salt lakes, Salinas De Cotorillo, are only 3 km away, where you can spot pink flamingos! The popular shopping center La Zenia is 12 km away, where you can also walk along the landscaped boulevard. Alicante airport is 80 km away, and Murcia airport is 40 km away.
