

#66731 / Rojales / Alicante / Spain

Description

The residences at 'Oceanic Luxury Apartments' are distributed in ground-floor apartments with a garden or upper-floor apartments with a solarium, allowing you to enjoy the advantages of their views of the sea and the horizon of Guardamar del Segura. Just minutes from the town of Rojales, these designer apartments come with a private pool, air conditioning, appliances, LED interior and exterior lighting, a communal pool, and common areas with a gym, barbecue, sauna, indoor pool, gardens, and sun loungers. Their sustainable design concept, high-quality finishes, and exclusive location make them unique apartments on the Costa Blanca.
