

#66797 / Benissa / Alicante / Spain

## Description

Great new project in Raco de Galeno 48, with south orientation. It will be something unique, exclusive, special, and different... in the best area of Raco de Galeno with stunning views of the Mediterranean Sea, and just a few minutes from the beach.Â

The villa has been designed by our architects and engineers for optimal energy savings by harnessing natural resources. It will be built with the highest quality materials and equipment from the best brands in the market, all controlled by home automation and featuring many extras.
