

#67111 / Finestrat / Alicante / Spain

Description

It is a building with twenty-one exclusive apartments with views of Cala de Finestrat, luxury finishes, Saloni materials – the number one construction brand in Spain, radiant floors, a formidable energy-saving system, and automated door opening.

The building features a private outdoor garage, a storage room in the basement, an infinity pool with a hot tub, landscaped areas, and recreational zones. The construction will be carried out with top-quality materials and a robotic energy-saving system, as well as other technologies such as remote door opening.
