Description

Villas Maestras is located at the top of Ciudad Quesada, near La Marquesa Golf Course, and just 8 minutes from the white sandy beaches of Guardamar.

They are built on plots that provide privacy and tranquility while being surrounded by services and very close to all kinds of shops.

Many Mediterranean and European factors have influenced these elegant villas, and even the details of British taste are noticeable in the elegance of the residence.

If you haven't seen anything so far that has caught your attention, it's because you haven't seen Villas Maestras by Medhouses yet.
