

#67306 / La Villajoyosa / Vila Joiosa / Alicante / Spain

Description

25 properties on the beachfront filled with the light of the Mediterranean. A private development of apartments, penthouses, and ground floors with 1, 2, and 3 bedrooms, designed to the smallest detail. Aura Residencial is a pioneering design specifically designed to make the most of natural light thanks to its spacious areas and terraces; it is the perfect place to relax and enjoy the sea views and breeze.

Located on the beachfront, next to the Roman tower of Hercules, in a natural environment, this development features a pool, gardens, playground, equipped gym, sauna, and steam room. Properties that stand out for the excellent quality of the materials used to build the spacious areas, resulting in a residential housing project designed to create a unique atmosphere where you can fully enjoy the dreamed life. Properties with spacious terraces and sea views so you can contemplate the sunrise without anything or anyone bothering you. We recommend “living the Mediterranean to the fullest” but in a very special way: without noise or traffic jams and without the inconveniences of overcrowding. Exquisitely designed homes with all the luxury details: fully equipped kitchens, ducted air conditioning, underfloor heating, bathrooms with suspended sanitary ware, vanity unit, mirror, and shower screen, automatic blinds, home automation system, and much more.
