Description

Luxury homes with sea views in the new Edicón Beach Residential.

Much more than a place to live, Edicón Beach embraces a concept of a private resort just a few meters from the sea.

Its privileged location offers views of the Mediterranean, just 700 meters from La Mata Beach in Torrevieja, situated in a residential and quiet area, with excellent public transport connections and all services. Very close to the Torremarina shopping center, which brings together various shops, restaurants, supermarkets, veterinary center, pharmacy, etc.

In an extraordinary location just a few kilometers from golf courses, the airport, theaters, museums, and water sports, Edicón Beach becomes a paradise to live in. All this makes it the perfect place to enjoy your leisure time, rest, and relaxation.

Edicón Beach features spacious gardens with walking areas, communal pools, water beds, jacuzzi, panoramic gym with views of the development, children's play area, healthy sports area, and parking area for vehicles and bicycles.

The project consists of 50 homes in the first phase, with 2 and 3 bedrooms and 2 bathrooms in all types, ground floors include a private garden and penthouses include a large private solarium with access from the home. All homes enjoy spacious southeast-facing front terraces with sea views and front views of the gardens and pools of the development.

Additionally, all homes include a parking space.

The approximate delivery date for the first block will be by the end of 2024, and the show apartment is already ready for viewing.
