

#67487 / HondÃ³n de las Nieves / Alicante / Spain

Description

These 4 sustainable homes feature 3 bedrooms with built-in wardrobes, 2 full bathrooms, a spacious living room, furnished kitchen, and a terrace.

The homes are available on the ground floor with front and rear terrace/garden and on the upper floor with a terrace and private solarium. The first-floor homes come equipped with photovoltaic panels on the roof for energy savings.

The kitchens are fully furnished and finished with granite or synthetic conglomerate countertops (Silestone or similar). The bathrooms are finished with high-quality sanitary ware and faucets with built-in cisterns.

These homes have pre-installation of ducted air conditioning with heat pump, forced ventilation with heat recovery, aerothermal system for domestic hot water, the latest thermal and acoustic insulation, aluminum exterior carpentry with thermal break, and blinds.
