These two newly-built villas are located in the popular area of La Mata Beach. The houses have three bedrooms and four bathrooms spread across a basement, two floors, and a solarium.

The spacious basement can be decorated to your liking â?? perhaps a gym, a home cinema, or additional bedrooms?

On the ground floor, there will be a living room with a kitchen and access to the private pool, a bedroom, and a bathroom. One floor up, we find the two remaining bedrooms, each with its en-suite bathroom â?? one with access to a spacious balcony.

Moreover, the house offers private parking, a saltwater pool, a rooftop jacuzzi with a bar, and excellent views from terraces and balconies.
