## Description

The Catalina residential has been meticulously designed to capture the beauty of Sierra Cortina and the Mediterranean in every corner. The Sunset model is characterized by spacious areas that connect seamlessly both indoors and outdoors, creating a fluid and harmonious experience. Light plays a fundamental role in highlighting and transforming architectural perspectives, giving each space a unique and special essence.

Special attention has been paid to the selection of materials, textures, and colors to achieve a cohesive aesthetic throughout the entire ensemble. The careful combination of these elements creates a sense of visual harmony and a welcoming atmosphere.

Going up to the first floor, we find two suite-type bedrooms, which have access to a charming open terrace, perfect for enjoying the outdoors and relaxing. This house also features a basement and an English patio, providing additional spaces and various possibilities to customize the home according to your tastes and needs.

Furthermore, additional options are available to tailor the residence to your lifestyle.
