

#67983 / Orihuela / Alicante / Spain

Description

Residential Seagardens is located in the highest part of Campoamor (Orihuela Costa) and represents the essence of living in the Mediterranean: light, spaciousness, and excellence in an urbanization that seeks, from all perspectives, the gaze towards the sea.

Comprising apartments and penthouses with 2 and 3 bedrooms, featuring large terraces overlooking the sea and nature, Seagardens lets you experience the Mediterranean in every corner of your home. The concept of well-being is present in every small detail of these residences.

The design emphasizes light and high construction quality and materials. It is a modern and innovative urbanization conceived with an architectural project that prioritizes design, merging spaciousness and new technologies in terms of efficiency and construction, along with enviable common areas that will offer residents the best quality of life they can imagine. The Residential has pools (including a heated indoor pool), landscaped areas for strolling, children's play areas, a spectacular rooftop chill-out, and all with the most beautiful horizon: the Mediterranean Sea, and the security of living in a protected residential area. Seagardens is surrounded by green areas for walking and sports. In this environment, you can enjoy an unparalleled range of leisure activities: personalized water sports, golf, horseback riding, bike routes, and all the adventures you can imagine by land and sea. Additionally, it offers an unparalleled gastronomic, cultural, and shopping experience.
